Executive Producer

As an Executive Producer at Silver Ridge Productions for almost 18 years, I have sought to create inspiring, engaging media content that informs while it entertains. Being a part of every aspect of the production operation has allowed me to anticipate the daily needs for a more efficient production resulting in a better product and experience for the client.

Work Experience

Silver Ridge Productions

Clifton, VA

Producer - Videographer - Editor - Photographer - Voicer Over Talent

2002 - Present

Contributions

- Produced, shot and edited more than 400 videos in the last 18 years, specializing in marketing, training, testimonial and corporate communications.
- Successfully served a variety of clients, from Fortune 500/1000 companies (Engility, Raytheon and ExxonMobil) to government clients (SBA, PHMSA, VHA and DOD) and Medical institutions (MedStar Georgetown, MedStar Medical Group, The Johns Hopkins Hospital) and startup entrepreneurs.
- Served as voice-over talent for a variety of clients and has been broadcast nationally.
- Managed all aspects of the production process, including shooting, editing and a special emphasis on graphics and final production.
- Increased company portfolio range by pioneering 3D creation, contributing through voice-over work and incorporating a new level of video graphics.
- Advanced company as primary R&D for mission critical software and hardware.
- Extensive experience shooting with DSLRs as well as Super 35- 4k cameras like Sony FS7.
- Loyal employee, team player, and self-starter; consistently motivated to learn and grow, using down time to refine and increase skills and abilities.
